

“Practical Faith for Real-Life Challenges”

HEALING & FREEDOM is a transformational Christian discipleship course designed to help people who feel overwhelmed, discouraged, or stuck in life’s challenges, discover the freedom, strength, and victory that Christ has already secured for them. Rooted in Scripture and guided by the Holy Spirit, this course leads participants on a practical and deeply personal journey of healing, renewal, and spiritual empowerment.

Through biblical teaching, reflective exercises, and real-life application, participants learn how to:

- ✓ Break destructive cycles and overcome emotional, spiritual, and relational battles
- ✓ Replace fear, anxiety, and discouragement with God’s peace and confidence
- ✓ Build a resilient, unshakable life anchored in the Word
- ✓ Walk daily in the authority and identity Christ has given them
- ✓ Experience lasting transformation through the renewing work of the Holy Spirit

This course is for anyone who desires to rise above life’s pressures and step into the victorious, purpose-filled life God intended. Whether facing personal struggles, emotional wounds, or spiritual battles, **HEALING & FREEDOM** offers a Christ-centred pathway to healing, freedom, hope and breakthrough.
